Airnorth Kimberley Moon Experience set to shine in Kununurra

The stage is set for the dazzling Airnorth Kimberley Moon Experience in just one week's time, on Saturday, May 9th.

Australian music icons, the Hoodoo Gurus headline the seventh annual, multi award winning concert staged in Western Australia's East Kimberley region.

Against a backdrop of a magical full moon in Kununurra, the Hoodoo Gurus will delight thousands of concert goers, tourists and corporate guests who enjoy the Kimberley's night of nights.

The concert is the pinnacle event of the two-week Argyle Diamonds Ord Valley Muster which runs May 8th – 24th, 2009.

Muster Director Kris Currow said everything was on track for another show-stopper.

"A spectacular setting on the banks of the Ord River, world class entertainment, sophisticated locally produced food, and a fantastic party atmosphere makes the Kimberley Moon Experience a truly unique outback event," said Ms Currow.

"It is a very special evening with the best of the East Kimberley on show."

Ms Currow said support for the event continues to grow.

"We're expecting around 4,000 people to attend the concert, which is just about sold out."

James Blundell is back as Master of Ceremonies, while the line up includes the Australian Army Band – Darwin, popular Perth party bands Blue Shaddy and Slim Jim and the Phatts, as well as a host of talented Kimberley musicians and entertainers.

An innovation for the Kimberley Moon Experience this year is the launch of the Silver Circle Area package which offers low beach-chair seating and quality catering.
