Argyle Diamonds Ord Valley Muster applauded at National Tourism Awards

The Argyle Diamonds Ord Valley Muster was among Australia's top tourism operators and events at the National Tourism Awards in Melbourne last week.

After winning the state award in the category of Significant Festivals and Events, the event represented Western Australia in the same category at a national level.

The National Tourism Awards were held on Friday 27 February at Crown Melbourne.

Ord Valley Muster Director Kris Currow said it was an honour to represent WA and Kununurra at such a prestigious event.

"While we didn't win the award, we were recognised as being one of the best events in the country," said Ms Currow.

"I'm extremely proud of the Kununurra community who have helped make the Muster such a well regarded event."

"Making it to the national awards is a great achievement and one that the entire town should be proud of."

It is the first time the Muster has won the state award, after the Airnorth Kimberley Moon Experience won the same category three times in recent years and has now entered the Sir David Brand Hall of Fame.

The 2009 Muster is shaping up to be bigger and better than ever with more than 50 events over two weeks, including the Airnorth Kimberley Moon Experience featuring the Hoodoo Gurus.

The Argyle Diamonds Ord Valley Muster runs from May 8-24, 2009.

Tickets for Muster events are available from the Kununurra Visitor Centre on (08) 9168 1177

Tickets for the Airnorth Kimberley Moon Experience are available from Travelworld Kununurra, Kimberley Fine Diamonds and the Kununurra Visitor Centre.
