Pre buy tickets to Airnorth Kimberley Moon Experience to avoid disappointment!

Organisers of the 2009 Airnorth Kimberley Moon Experience in Kununurra are urging the public to pre buy their tickets to next week's event.

Event Director Kris Currow said it looked likely general admission tickets might sell out prior to the concert on May 9th.

"We've had an overwhelming response, which is fantastic," said Ms Currow.

"But I do urge anyone who's thinking of going to the concert, to buy their tickets now to avoid disappointment," she said.

"If the pattern continues, then we won't have any tickets to sell at the gate. People need to get their tickets soon or they may miss out on a fantastic night of entertainment".

Ms Currow said the headline act of the Hoodoo Gurus, along with growing interstate international interest in the event, had strengthened ticket sales this year.

"Clearly, the Airnorth Kimberley Moon Experience is now one of the most popular events in the state," she said.

"We're expecting around 4,000 people to attend the concert, which is just about sold out."

James Blundell is back as Master of Ceremonies, while the line up includes the Australian Army Band – Darwin, popular Perth party bands Blue Shaddy and Slim Jim and the Phatts, as well as a host of talented Kimberley musicians and entertainers.

An innovation for the Airnorth Kimberley Moon Experience this year is the launch of the Silver Circle Area package which offers low beach-chair seating and quality catering.
