

STATION RODEO

It's fair to say a Muster wouldn't be complete without a rodeo, and the annual **Station Challenge Rodeo** is a feast for anyone who wants to witness the thrill and excitement of a bull-bucking, dust-raising, cowboy get-together in the true outback.

You'll be glued to your seat as you watch the men and women try to tame the beast in competitions such as the **Saddle Bronc, Bareback, Bull Ride, Bullock Ride and Station Buckjump.**

The competitors travel from as far afield as Katherine and Fitzroy to take part in this annual showdown which is part of the official East Kimberley Rodeo Round.

And after the dust has settled you'll join competitors, spectators, organisers and volunteers (who play as hard as they've ridden and worked during the day) for an ale at the bar and an evening of live entertainment.

A courtesy bus, donated by Argyle Cruises, departs the Coles Car Park every hour from 4pm to 7pm, returning between 8pm and midnight. Taxis are also available. No BYO Alcohol.

Check the Hot Box for further information or contact Joe or Catherine Atkins on 08 9168 7364.
